

Hello!

We are very excited to be able to ship your card kits to military families in Germany this year! We wanted to let you know a couple facts for when you get ready to ship your package:

1. You will be shipping to an **APO address** (click this link to see the address: <http://www.kidslinkonline.org/locations/grafenwoehr/>), which means that **the cost of shipping will be the same as if you were shipping within the US.**
2. You will need to fill out a **customs form** which can be found at your local post office. While this form can be filled out online (<http://www.usps.com>), we would suggest filling it out at the post office in case you have questions about it.

Please feel free to contact me if you have any questions regarding this. Thanks again for your participation in this project!
